

Providing Innovative Solutions For The Magnetic Recording Industry

New Japan Distributor Announcement

SANTA CLARA, CA – May 10, 2011: Integral Solutions International, ISI, the world's leading manufacturer of Quasi-Static testers for the data storage industry, announced today that it selected Biz.Link Company Limited as the new distributor to represent ISI products in Japan territory.

Biz.Link Company Limited has over 10 years experience representing US companies in Japan, mainly in the HDD Industry. We feel their team has the technical expertise and established customer relations to help promote ISI's current and future products.

Their main marketing focus will be in the HDD industry as well as emerging STT-MRAM, STT-Devices and TJMR Magnetic Sensors.
